

Virginia Tech Reunion Weekend 2019

We started something special.

When Hokies from across the country gathered at Virginia Tech last June for our summertime reunion, they experienced a weekend of fun and engagement. Reunion Weekend 2019 will be held June 6-9; be a part of this annual tradition.

There will be class parties on the Drillfield, networking and mingling opportunities, and activities for children. There will be plenty of chances to see what's happening at Virginia Tech, through guided campus tours, open houses at our colleges, and presentations from our leading faculty members and senior administrators. It's time for you to come back home.

We want you to be there.

Welcome back

Reunions are a celebration of the strong connections between all Hokies.

Whether you've visited recently or haven't been back in years, there is no better time to be at Virginia Tech. Holding reunions in the summer allows you to truly explore our campus in depth and to reconnect with the university.

You'll hear about all the exciting things that are taking place across Virginia Tech, and you'll build new memories with fellow Hokies. We hope you will bring your family and show them why Virginia Tech is such an important part of your life.

This year, we are celebrating five-year milestone class anniversaries from 1974 to 2014, but all Hokie families are welcome, regardless of graduation year. We want this to be one of the largest gatherings of Hokies ever. Don't miss it.

Volunteer for Reunion Weekend 2019

Help make Reunion Weekend 2019 special.

In June 2018, we held our first-ever summertime reunion weekend. Returning during the summer allowed alumni of all ages full access to our campus and a chance to explore the exciting ways our university is moving forward.

All throughout the weekend and afterward, Virginia Tech alumni told us clearly: They loved the summertime reunion.

We can't wait to do it again. And you can make Reunion Weekend 2019 even better.

Volunteers needed

Class volunteers play a critical role in our reunions. As a volunteer, there are several ways in which you help shape the weekend:

- Give input on reunion programming and get advance details about what's being planned.
- Make your gift to Virginia Tech, which counts toward your reunion class goal and our push to increase alumni giving to 22 percent by 2022.
- Serve as an ambassador for the event, by contacting classmates and encouraging them to attend, and to make a gift.

Volunteering is a great way to connect with other alumni, helping them develop deeper relationships with our university. By sharing your passion for Virginia Tech, you will advance the connections that help build a stronger learning environment.

Help make it happen

Don't miss this chance to make a difference for Virginia Tech and your fellow Hokies. Join us and help make Reunion Weekend 2019 a weekend to remember.
