Dear Virginia Tech Alumni and Friends,

Aloha! From the moment you arrive in this incredible destination you will be greeted with sheer beauty and a cultural experience like no other. You will quickly realize why Hawaii is known as the “Paradise of the Pacific”. With many exotic beaches, flowers, mountainous landscapes, breathtaking views and magnificent waterfalls, you will be amazed everywhere you travel within this incredible island State.

Start with 3 nights in Honolulu and a Honolulu City Tour featuring Pearl Harbor with a visit to the USS Arizona Memorial, dedicated to the fallen heroes who lost their lives on December 7, 1941. Later see the beautiful sights of Punchbowl Crater, and the Hawaii State Capital, where a statue of King Kamehameha stands proudly. Then spend 2 nights on the Big Island (Hawaii) learning about the unique geological and cultural landscapes found at Volcanoes National Park, where you will see an active Volcano. Also see a black sand volcanic beach and spend time in the historic fishing village of Kailua Kona or Kona town as the locals call it.

Continue to Maui for a 3 night stay and more spectacular sights of majestic waterfalls, and the lush tropical foliage surrounding the Iao Needle, a rock formation rising 2,000 feet from the valley floor. More of those incredible landscapes will be found on our journey to Mount Haleakala National Park or “House of the Sun” as we travel to the top of Maui’s massive dormant Volcano, 10,000 feet above sea level. Marvel at the unbelievable sights that can be found at this ancient location. Complete the tour as anyone should with a traditional Hawaiian Luau, a fun filled cultural event featuring local food, dancing and music.

We welcome you to experience three Hawaiian islands on this incredible tour which features a perfect combination of sightseeing and leisure time in this island paradise. Please review the itinerary details and count the extras. With roundtrip airfare included, we hope you can join us and agree this is an amazing trip.

Cheers,
